Let's Start!

Plans are made to finalize the big launch.

Learning Outcome

Exchange information about unlikely events or fairly certain conditions that will be fulfilled in present, past or future in spoken or written texts and in work and social contexts.

Can Do Statements

- I can establish advantages and disadvantages.
- I can make suggestions.
- I can exchange complex information and advice on the full range of matters related to the occupational role.

Ask your partner:

- When was the last time you went to a formal event? What did you wear?
- Have you ever planned a party? How was it? Describe it.

Let's Explore!

Save the date! *

* "Save the date" is a phrase commonly used when scheduling an event such as a wedding.

Instructions: Read the text aloud.

- Denise:** Now that we've decided on a promotional strategy, let's move on to a release date.
- Kristi:** There are many advantages to picking a date. However, in order for us to settle on one, everything else must be in place.
- Denise:** I think we've worked everything else out, just one outstanding item, which is the book launch party.
- Marisa:** How about Thanksgiving? Could we release it then?
- Kristi:** Let's take a look. Okay, so it falls on a Thursday. On the one hand, since it's a statutory holiday, families with young children are more likely to visit bookstores. On the other hand, there may be more children's books being released. With that in mind, this date may not give us the sales we're hoping for.
- Marisa:** I'm not expecting to get onto the *New York Times* Best Seller List. Nonetheless, I do see your point. How about a soft launch?
- Denise:** That's a good idea. A soft launch does come with its own set of advantages.
- Kristi:** As a new author, it's much more important to build up your fanbase than spend time, energy, or money on large-scale promotion. In contrast, a hard launch would definitely get your name out there, in addition to getting publicity. Isn't that what we're hoping to do?
- Marisa:** I thought so, but ... I'm not really sure.
- Denise:** Okay. Why don't we look at the big picture? Some benefits of a soft launch would be that you'd have a lot more time to do things and it's a lot less stressful. One of the drawbacks would be that we wouldn't have enough time to make all those public appearances that we want to do.
- Marisa:** I think I've made my decision ... let's have a hard launch!

**Let's Practice!**

What are the advantages and disadvantages of a hard launch and a soft launch?

Instructions: Circle the correct option to complete the sentence. Read the sentences aloud. Check your pronunciation with your instructor.

- _____, since it's a statutory holiday, families with young children are more likely to visit bookstores.
a. On the one hand b. On the two hands c. On the hand
- _____, there may be more children's books being released.
a. On the another hand b. On the next hand c. On the other hand
- _____, this release date may not give us the sales we're hoping for.
a. With that in mind b. With that in head c. Wind that in mind
- _____ of a soft launch is that there will be more time to do things and it's less stressful.
a. One of the benefit b. Of the benefits c. One of the benefits
- _____ is not having enough time to do all the public appearances we would want to do.
a. One of the drawbacks b. One of the drawback c. One of the drewbacks
- _____, if we're looking to see quick results, choosing a hard launch may not be the best option.
a. Add to that b. Adding on that c. Adding to that
- _____, a hard launch will definitely get your name out there, in addition to getting publicity.
a. Contrast b. On contrast c. In contrast

**Let's Practice!**

I have a suggestion!

Instructions: Match the two halves to correctly complete the sentences. Read the sentences aloud. Check your pronunciation with your instructor.

- | | |
|------------------------------------|------------------------------|
| 1. How about | a. ____ a soft launch? |
| 2. Why don't we look | b. ____ postpone the launch? |
| 3. Let's go with a | c. ____ Thanksgiving? |
| 4. How about releasing the book on | d. ____ at the big picture? |
| 5. Why don't you | e. ____ hard launch. |

Extension Activity

Write a book review.

Instructions: Complete the following steps. Fill in the Self-Assessment.

- Pick a book that you have read in the past year.
- In no more than one paragraph, explain the plot of the book.
- In a second paragraph, add your impressions of the book.
- Present your book report to a friend.

Self-Assessment

Yes

No

I explain the plot of a book.

☐ ☐

I provide and support my opinion.

☐ ☐

I share my ideas with a partner.

☐ ☐

Target Words

- **release date** (noun): the time at which a product will be made available to the public.
e.g. Let's move on to the release date.
- **soft launch** (noun): the release of a product to a restricted audience at a time before the official launch date
e.g. How about a soft launch?
- **hard launch** (noun): the full release of a product to the public
e.g. In contrast, a hard launch would definitely get your name out there, in addition to getting publicity.
- **large-scale** (adjective): doing something over a wide area; dealing with high numbers
e.g. Let's plan on a large-scale distribution of the book.
- **news release** (noun): an official communication directed towards members of the media
e.g. We have a news release planned for this Friday.
- **promotion** (noun): advertising to make people aware of a product
e.g. It's more important to build up your fanbase than to spend money on promotion at this point.

Learning Points

Purpose Clauses

When you want to talk about the purpose of something, you can use the phrases *in order/so as to* + infinitive or *for*.

For example:

*He took the job **in order to** gain more experience.*

*He took the job **so as to** gain more experience.*

To make a negative statement, you put **not** before the **to** -infinitive.

For example:

*He took the job **in order not** to miss the opportunity.*

When using **for**, there are some rules to consider:

1. to talk about the purpose of an action
(for + noun + to-infinitive)

*I'm **saving for** a new house.*

2. to talk about the purpose of a thing
(for -ing)

*This is good **for making** multiple copies.*

Examples:

- *In order for us to settle on one, we need to ensure that everything else is in place.*
- *We wouldn't have enough time to make all those public appearances that we want to do.*

Learning Points

Reason Clauses Using *Since* and *As*

You can introduce a clause to give a reason for a particular situation by using the words *since* or *as*.

Using these words instead of *because* gives your writing and speaking a more dynamic feel which, in turn, will help you to retain the listener's or reader's attention.

Let's look at some examples:

As it was getting late, we decided to have a meeting over dinner.

Since he was going to be late, we decided to start without him.

You can choose to reverse the clauses as well. Notice the change in punctuation.

For example:

We decided to have a meeting over dinner ***as it was getting late***.

We decided to start without him ***since he was going to be late***.

Examples:

- *As a new author, it's much more important to build up your fanbase than spend time, energy, or money on promotion.*
- *On the one hand, since it's a statutory holiday, families with young children are more likely to visit bookstores.*
